

VOLUME 291 (2016) PAGES 6111–6123

DOI 10.1074/jbc.AAC118.002651

**A novel topology of proline-rich transmembrane protein 2 (PRRT2): Hints for an intracellular function at the synapse.**

Pia Rossi, Bruno Sterlini, Enrico Castroflorio, Antonella Marte, Franco Onofri, Flavia Valtorta, Luca Maragliano, Anna Corradi, and Fabio Benfenati

**PAGE 6111:**

There was an error in the grant footnote. "... and Italian Ministry of Health Ricerca Finalizzata 2013 (to F. V. and F. B.)" should read "Italian Ministry of Health Ricerca Finalizzata (RF-2011-0234847 to F. V. and F. B.)."
